

## 1900 Series Lateral Files

1900P files are standard with height adjustable leveling guides. Mechanical interlock system prevents tipping by allowing only one drawer to be open at a time. Counterweight balances are standard.

Cabinets are 36" wide and 19.25" deep with 12" high drawers.

2 drawer and 4 drawer lateral files available.

Front to back or side-to-side filing capability

Finish: Light Grey
